Jose Nunez
Director of Karate

Ernesto Valerio
Director of Basketball

The Rhode Island Sports Union, **Union Deportiva de Rhode Island (UDRI)**, is a non-profit organization that was developed to fulfil a substantial need in our community. Our programs provide athletic development and academic opportunities to dozens of student-athletes in the state of Rhode Island. Some of our youth programs include baseball, soccer, basketball, karate, volleyball etc.

Our objective is to develop and create opportunities for the youth while preparing them to become leaders within their communities and good role models within their networks. Through our current programs, we have been able to provide character building and academic support for each of our youth. We have a dedicated coaches, mentors, parents and student-athletes all working together to help us reach these goals.

In order for us to continue our journey in addressing the needs and revitalizing our sports programs, and expand our programs, we need your help in sponsoring our programs. Your contribution will go towards programming for the participants, equipment for training and educational development.

As a partner, we can discuss the various promotional opportunities available through our programs and our resources. This includes, our local radio programming, social media, direct family services, fundraising events, etc. Attached you will find our sponsorship package opportunities.

Please consider becoming an ongoing sponsor and partner of our success. If you have any questions, please contact me at 401-699-6167. Thank you for your time and interest.

Sincerely,

Grace Gonzalez
